### **EEO Report**

#### **Report Regarding Applicability of FCC Equal Employment Opportunity Rules to WMKI(AM), Boston, Massachusetts, December 1, 2014**

Radio Disney Group, LLC, licensee of WMKI(AM), Boston, Massachusetts (the "Station"), which is an equal opportunity employer, hereby certifies that as of December 1, 2014, the Station had fewer than five full-time employees. Therefore, pursuant to the FCC's equal employment opportunity ("EEO") rules, the Station will not be filing an annual EEO public file report this December 1, 2014. Even though the Station is not required to file an EEO public file report, Radio Disney and Radio Disney Group, LLC adhere to a policy to provide equal opportunity for all employees and applicants for employment without regard to race, religion, color, sex, sexual orientation, gender identity, national origin, age, marital status, covered veteran status, mental or physical disability, pregnancy, or any other basis prohibited by state or federal law.

#### **I. General Job Vacancy Information**

The Station is an equal opportunity employer that is committed to meeting the Station's EEO obligations. The Station and Radio Disney's policy is to provide equal

opportunity for all employees and applicants for employment without regard to race, religion, color, sex, sexual orientation, gender identity, national origin, age, marital status, covered veteran status, mental or physical disability, pregnancy, or any other basis prohibited by state or federal law.

All full-time job vacancies are posted with a number of sources, generally including the Station's local recruitment sources contact list (see Section IV – Long Term Recruitment Measures and Attachment A) and Disneycareers.com (see Section III – Recruiting for Full-Time Open Positions).

The Station's local recruitment sources contact list ("Contact List") has been used to notify potential applicants for full-time vacancies as indicated below. The Station will continue to actively seek out new sources. This year, we extended our outreach list to include local colleges and universities. The Station encourages organizations that distribute employment information or refer prospective candidates to contact us so that they may be placed on our Contact List to receive notification of future vacancies. The Station solicits organizations to be added to our mailing list via a website posting on the Station's page on Radiodisney.com. The Station also runs on-air announcements soliciting organizations to be added to our mailing list. These 30-second announcements aired Monday through Sunday, 6am-8pm and a total of 782 announcements aired.

## II. Record Keeping

In compliance with the EEO record keeping requirements, the Station creates a file for each job requisition to be filled. The file generally includes, but is not limited to, the following items: copies of advertisements, emails, and the distributions to mailing list(s) used to notify sources of the opening and a summary of filled vacancies showing, interviewees and referral sources.

In addition, the Station documents and retains information about its long-term recruitment initiatives. The Station had seven (7) full time employees as of March 31, 2014.

#### I. General Job Vacancy Information
