

FIRE PREVENTION

Help our courageous firefighters by doing your part to prevent fires from starting!

AT HOME »

- 1 MATCHES & LIGHTERS:**
Keep these items out of view and in a safe place.
- 2 STOVE, TOASTER, OVEN, HEATER:**
All turned off when not in use and ALWAYS clear of flammable items.
- 3 FIREPLACE:**
Keep fireplace area clear of flammable items with a safety screen in place.
- 4 LAMPS:**
Keep clear of ALL flammable items. Turn off then not in use.

DID YOU KNOW?

In 2013, there were 1,240,000 fires reported just in the US!

That's an average of 3397 reported fires each day!

DID YOU KNOW?

Wildfires move at speeds of up to 14 miles an hour! That's the average running speed of an adult person!

OUTDOORS »

- 5 CAMPFIRES:**
Keep your campfire area clear of ALL flammable items and NEVER leave your fire unattended.
- 6 MATCHES:**
Matches are tools NOT toys. If you see someone playing with matches, tell an adult right away.
- 7 BE NOSEY:**
If you are outside and you smell fire go and tell a parent or guardian.
